

### Little Charmers - Individuals

The artwork for these designs was provided by Viv who is the owner of Rose Cottage Embroidery. Each month she provides clipart to other digitizers as a challenge. Afterwards, participants may use the finished designs as they see fit. Charming Station is very grateful for her generosity and invites you to visit her website at:

The colors listed here are only suggestions - feel free to use the colors that you prefer. All of these designs have been sewn out several times on different machines using two layers of tear away stabilizer.

Please note: some machines may report "Applique" or "Applique Position" for one of the colors. This is usually for areas that are a skin tone. We use Isacord #1060 which is a very pale peach for these sections. **There are no applique parts in these designs.**
