

# Mylar FSL Crosses (4x4 hoop)

Please note, we used blue thread in our software here so that you can see the stitching. You can choose whatever color thread you prefer for the crosses.

The first color (shown here as light pink) is just an outline to show you where to place the mylar. We used the same thread for this color stop that we used the rest of the design.

1 Quartz Pink  
2 Medium Blue
